

Registration is Open!

Join us in *Denver* for the
American Society of Primatologists
44th annual meeting

August 25-28, 2022

We're Going Hybrid!

For the very first time, ASP will be hybrid. Virtual attendees will have access to most live sessions & all attendees will have access to “on demand” meeting content.

Featuring:

Cutting edge presentations on the welfare, ecology, behavior, anatomy, and conservation of primates in the wild and in human care.

Highlighted Speakers:

Júlio César Bicca-Marques, Recipient of the ASP Distinguished Primatologist Award
Hayley Murphy, Director Emeritus of the Great Ape Heart Project
Ed Louis, General Director of the Madagascar Biodiversity Partnership

Highlighted Symposia & Workshops:

Interdisciplinary Symposium – What’s New at the Zoo: Recent advances in primatology taking place in modern zoological parks
NIA-Sponsored Symposium – Aging, Lifespan, and Healthspan in Nonhuman Primates
Workshop – Zoo Primate Research: What is it like to conduct research in a zoo?

Abstract Submissions due **May 31**
